Professional PHOTOGRAPHY PACKAGES

Have your very own photographer onboard to capture the excitement and all the beauty of your expedition. Don't worry about missing a moment, count on your professional photographer to capture the unique and memorable experiences of your trip, all while keeping your safety and privacy a top priority. Take home images of beautiful landscapes, stunning wildlife and special moments shared with friends and family. Don't miss out on this unique opportunity!

MEET OUR IN-HOUSE PHOTOGRAPHER

Kali Wexler is a Canadian photographer born and raised on Hornby Island, BC. Growing up on a small gulf island has fostered a deep passion and respect for the outdoors, community, and any adventure that comes his way. With extensive knowledge and experience along the BC coast, Kali's creative work and collaborative efforts can be seen within a variety of organizations and brands such as Conservancy Hornby Island, Honda, and National Geographic.
